

10 Reasons Why You Need Shepherd's Staff 2010

10. Check Scanning – The quickest way to enter offerings yet, plus automatically creates deposit in your bank account so you don't even have to go to the bank.

9. Dashboard – Get an “at-a-glance” overview of all the important information about your congregation.

8. Use Less Paper – Get a little greener. Many of our reports have been updated to use up to 33% less paper.

7. New Payroll Options – Works with Intuit's Online Payroll – the most popular pay program for churches and small business. Also supports Pay Window.

6. MemberCaller Integration – Keeping your members informed is more important now than ever. Instantly reach all of your members or a subgroup via phone with MemberCaller.

5. Previewable Checks – One of our most requested features ever. Preview checks before you print them.

4. Church Keys – Easily keep track of who has keys to the church.

3. Private Email Addresses - Keep member's e-mail private when creating directories but still have access for church staff.

2. Volunteer Manager – Quickly find the right people for an opportunity to serve. Searches your membership records to find the people with the qualifications you need.

1. Save Money and Get Free Training Videos – Our upgrade price saves you up to 50% off of the regular retail price. Plus for a limited time we are giving you a full set of training videos FREE! Our videos cover every Shepherd's Staff module and can be used to refresh your skills or quickly train new staff and volunteers. You will use them over and over again.
